"If you're going to live, leave a legacy. Make a mark on the world that can't be erased."

~Maya Angelou
Your Legacy Starts Here

Family Resource Center | $3,000,000 - $4,000,000 – Includes Naming Rights

Our goal is to open a Family Resource Center in each of the four sub-regions within the 27 counties that Belong serves to meet the diverse needs of each community. The centers will function as a centralized hub for a variety of support services for children and families such as family and therapeutic counseling, a number of community trainings, intake and visiting center for youth, a donation station, and offices for Belong team members. These Family Resource Centers are imperative in creating easily accessible family support services and resources that aid in strengthening families and children in foster care.

Financial support for a Family Resource Center will include naming rights of the facility. Donors will have the opportunity to have their names, or the name of a loved one, forever imprinted on a facility that will offer healing for generations of children and families.

Complete Fundraising Efforts for the Sustainability of Belong | $1,500,000

As our family has grown to impact the lives of even more vulnerable children and families through our Belong division, additional funding is needed to be financially healthy to operate. The state funds only a portion of the costs associated with implementing our community-based care program in Region 8b. Through the generosity of our community donors, we have received $1.5 million in funding for these efforts. We are in need of an additional $1.5 million to offset our operational costs.

General Operating Expenses | $500,000/year for 2 years

This contribution will help with operating expenses for both Belong and SJRC Texas to ensure continuity of our nationally recognized model programs and services. Our program offerings that are imperative to our children and families are not fully funded by the state. Through fundraising efforts, we are responsible for fundraising 40% of our total annual budget. These funds will be used for direct care services to our youth, including but not limited to: personnel salaries, clothing, toiletries, educational supplies and healthy meals. A portion of these funds will assist SJRC Texas and Belong with the future expansion of our programs and allow us to help more children within our communities.

Establish an Endowment Fund – for SJRC Texas & Belong

In the end we are all remembered for our acts—for the lives we touch and by the causes we advance. We invite you to consider creating a lasting legacy by including the SJRC Texas and Belong in your long-term plans.

A Gift in your Will – for SJRC Texas & Belong

A bequest to SJRC Texas & Belong qualifies for an estate tax charitable deduction and gives you the opportunity to provide a brighter future for our most precious children. Plus, when you make a gift in your will, you have the ability to revoke or update your intention at any time.

Types of Bequests
1. A specific amount gives a stated sum (ex: $10,000) to the beneficiary you name.
2. Specific property gives a particular item (ex: car, home, stock holding) to the beneficiary you name.
3. A residual gift gives a percentage from 1 to 100 of what remains in your estate after other bequests, debts and taxes have been paid. This popular way of dividing your estate allows you to keep your gifts in proportion to your estate size.
